HAPPY NEW YEAR 2025!

Dear Parents and Students,

Great schools are also places where children are inspired outside the classroom as well as in it. As you know, CGSD has a very strong commitment to developing all aspects of its students, in addition to high academic performances it focuses on cultural traditions, sports, service to the community and so much more. Building community is equally important and almost 500 faculty from all 6 campuses gathered together for a weekend at the Annual Teacher's Convention in Chittagong, pictured above.

The annual student Round Square Conference at CGS will be held in late January through to early February in Chittagong and is a fantastic opportunity for each student to build confidence, skills and network with others. All the time exploring the theme, 'AI: Threats and Opportunities,' through debates, discussion and activities that challenge them. It is experiences such as these that set CGSD apart from other institutions and help students become both globally conscious yet patriotic Bangladeshi citizens.

A total of 61 students across CGS and CGSD attained Duke of Edinburgh Gold awards in 2024, which is a testimony to their competence; yet each student is much more than the sum of these awards. Ours are living, breathing, questioning communities where young people are inspired inside and outside the classroom, but are also challenged to become positive change-makers in the future. Our belief that our students can and will make this world a better place and will lead their country in the future.

Thank you so much for your continued support and for trusting us with the education of your child.

Wishing you all a Happy Victory Day, Merry Christmas and Happy New Year!

DUKE OF EDINBURGH AWARDS

10 of our outstanding students achieved the prestigious Duke of Edinburgh Gold Award, pictured above. This remarkable accomplishment is a testament to their unwavering dedication, perseverance, and commitment to excellence. This award represents their skills, community service, physical fitness and the ability to overcome challenges. We are incredibly proud of their accomplishments and the positive impact they have made.

CGSD AT DHAKA FLOW

Our students enjoyed a fabulous day at Dhaka Flow recently in the wonderful winter weather. A group doing yoga pictured below.

ELEMENTARY INDOOR PICNIC

Our youngest students enjoyed a cozy indoor picnic, giving them the opportunity to play with their friends and enjoy delicious treats indoors. The joy of togetherness was heartwarming as they laughed, shared, and bonded with peers and teachers.
