DECEMBER 2024

Dear Parents,

As we wrapped up the first term and began a new one, I would like to reflect on what an active and eventful period it had been, marked by exams, the PTM, and our Annual Cultural Programme (ACP). November was a month that truly tested our students' resilience and perseverance, as they balanced demanding academics, regular assessments, and ACP preparations with enthusiasm. Though challenging, these varied experiences, happening all at once, are at times essential in developing focus, time management, and self-discipline in students.

The upcoming winter break will provide a well-deserved pause to relieve study pressure and recharge. This year's break will be longer, giving students ample time to rest and regain energy for the action-packed months ahead. For students in Classes 5 - 10, the highlight will be our In-house Round Square Conference in Chittagong, where they will experience adventure-packed activities, keynote, group presentations, and team-building games. These in-house conferences are thoughtfully designed to provide a taste of the international RS conferences.

As an institution, we remain committed to nurturing leadership and collaboration skills in our students. Our Class 10 student leaders have been sharing their ideas to make CGSD a more holistic environment, and we are supporting their visions to take shape. A special thanks goes to CGSD alumni and student body members for their efforts in Echoes '24, our fundraising concert for Phase 3 of the Flood Drive. Their dedication and love for the school are truly inspiring!

Lastly, wishing you all a wonderful new year! May 2025 bring more stability, hope, and promise for us all.

Warm regards,
Rubaiyat Razzaque

ICS CAREERS SEMINAR

A team from the Institute for Career Studies (ICS) visited CGSD recently (above) to conduct an informative seminar for parents and students of Class 7 about O' Level subjects, universities, professions and much more. They also provided individual career counselling for students and their parents.

RS CONFERENCE, MADRID, SPAIN

SEK International School in Madrid, Spain, hosted a Round Square Conference in November on the theme, 'Cultural Adventures in Paradise.' The experience provided CGSD delegates (pictured above) with an extraordinary opportunity to go beyond traditional academics and engage in experiential learning alongside peers from around the world in a diverse, multicultural environment.

The conference emphasized leadership, internationalism, and personal development. Students participated in service projects, honed skills in empathy and collaboration, and engaged in activities designed to foster global citizenship. By integrating these hands-on experiences with their academic curriculum, students gained a holistic perspective, learning to apply their knowledge meaningfully in real-world contexts.

After the conference, CGSD team took an educational tour in Toledo, Avila and Segovia.

SPORTING EVENTS

As the weather cools, sporting and outdoor events become more popular. A series of sporting tournaments were hosted by us and by other schools to encourage students' physical development, team spirit, comradery and overall well-being.

CGSD Boys recently participated in the Scholastica and Playpen Inter-school football tournaments.

ECHOES '24 CONCERT FOR CHARITY

Recent alumni together with student body members from class 10 held a concert for flood victims.

ROYAL COMMONWEALTH ESSAY

Initiated in 1883 The Queens Commonwealth Essay Competition is the world's oldest international writing competition for schools. 34,939 entries from 54 countries were received this year. CGSD had a total of 55 winners, with 16 Bronze, 31 Silver and 8 Gold awardees.

Congratulations to the winners!
