Hand writing	: Izza
Social Skills	: Kamilla
Participation	: Raweeha
Hygiene Habits	: Naifa

Happy Birthday to... Zelmira for the 16th and Areesh for the 26th of October!

Class News...

September was a month full of memorable events for us. We were particularly touched by the warmth and love shared during "Grandparents Day." This special occasion allowed our students to connect with their grandparents, engage in crafts, and exchange life experiences. It was heartwarming to see the meaningful interactions and create cherished memories.

On September 14th, we held our Annual Award Ceremony for the 2023-24 session. Congratulations to all our award winners!

Additionally, on September 21st, we celebrated 'Gratitude Mufti Day.' This day was dedicated to teaching our students about the importance of gratitude and giving back to our community. Through various activities, our students learned to appreciate their blessings and understand how they can positively contribute to those around them.

Welcome Newcomers... Azmina!

Dear Parents,

We extend our heartfelt thanks for your continued involvement in supporting our students' journey. To further reinforce their sense of global responsibility, we will be celebrating "UN Day" on October 24th. This event will focus on raising awareness about the United Nations and its efforts to create a safe and sustainable world for everyone.

Thanking You,

Class 1 Teachers

Students are engaged in sorting farm and wild animals during their Science Practical Class.
